

Passport to Summer Camp Discovery

Summer 2010 Day Camp Program
Discovery Science Place

WEEK 6 (JULY 12-16)

Amazing Caves – Explore the world of caves from the animals that live there to stalactites and stalagmites. Discover what it would be like to live in one. Age 4-6

Creepy Crawly Bugs - Explore the amazing world of arthropods, arachnids and insects, and take home your own caterpillar! Age 4-6

Superheroes - Discover the science behind your favorite superhero's feats and conduct fun experiments to uncover their secrets. Then create your own character with identity, superpowers gadgets and more. Age 7-9

Junior Chemist - Investigate physical changes, chemical changes and phase changes as we make things pop, ooze and slime! Age 7-9

Science Sleuth – Learn about forensic science as you explore your own CSI journey and solve a mystery or two. Age 10-12
