

## Incentive Programs

S.T.R.I.V.E. is our volunteer team. As a S.T.R.I.V.E. team member you have the opportunity to expand your abilities, skills, and expertise with the Discovery Science Place team. A volunteer can earn different levels, each having specific requirements, which when met, can qualify you for our next level of achievement.

### S.T.R.I.V.E. Discovery Team

- S. – serve others
- T. – teach children and guests
- R. - reach for new goals
- I. – initiate learning
- V. – vital part to our success
- E. – excellence

**Level 1 – purple** – 3 month probationary period, pass quiz, orientation, mission, and perform 100 hours of volunteer hours, which is about 8 hours per month, and have continuous active status.

**Level 2 - yellow** – Hall of Fame recognition, successfully complete level one and maintain active status. Attend one workshop and perform 175 hours and demonstrate or perform 2 assigned activities in the exhibit halls with proficiency.

**Level 3– red** – Hall of fame recognition, attend one workshop and perform 300 hours or more. At this point you will be able to be a mentor and shadow new volunteer(s). When level 3 is completed and volunteer has mentored 3 new volunteers successfully, volunteer can apply to the Discovery Career Ladder program, if space is available, which is an open application process. A position in Career Ladder program is not guaranteed.
